ONDANGWA TOWN GETS A SECOND MOBILEHOME

[WINDHOEK, 25 JUNE 2010] – MTC clients in Northern Namibia's Ondangwa town can look forward to getting even more service as a second Mobile home is opened at the Olunkono Centre on Ondangwa Main road on Friday.

The new Mobile Home is MTC's 23rd Mobile home in the country and the second presence in Ondangwa. The brand new Mobile Home will provide an assortment of services that include contract applications, account payments, pre-paid starter packs, recharge vouchers, mobile phones as well as email, MMS and GPRS connections.

The previous Mobile home at the Yetu has been converted to an Ondangwa Mobile Express and will cater for invoice payments, pre-payments as well as voucher and device sales.

To mark the opening, invited guests and customers were treated to a host of fun activities including a live radio broadcast and pop-a-balloon giveaways. Exclusive Ondangwa town, opening specials are also available as of Friday until stocks last. Exclusive specials include the Samsung E1105T for N\$ 249.00 (including Free Starter pack and N\$ 50.00 Free Money) and the stunning Samsung E2120 Zinnia N\$ 399.00 (including Free Starter pack and N\$ 50.00 Free Money).

Besides the Mobile homes, MTC relies on around 59 main dealers and over three-thousand small retailers who sell MTC vouchers from their shops and outlets, bearing testimony to MTCs drive to directly and indirectly empower Namibian entrepreneurs.

ABOUT MTC:

MTC (Mobile Telecommunications Limited) was established in 1995 as a joint venture between Namibia Post and Telecommunications Holdings (NPTH), Telia and Swedfund. During May 2004, NPTH concluded a deal that saw it hold 100 per cent of the shares in MTC by acquiring the 49 per cent held by Telia Overseas AB and Swedfund International AB. During 2006 the sale of 34% of MTC shares to Portugal Telecom was concluded for N\$1.34 billion while the Namibian government retains the remainder of the stake through NPTH.

MTC currently covers 98 per cent of the population of nearly 2 million citizens with more than 650 base stations and repeaters and offers a dual band 900/1800MHZ. The company also expanded its cellular coverage to all major towns in Namibia, including the major arterial roads. It further runs two modern MSC's (mobile switching centre) in Windhoek and Oshakati with capacity to accommodate rapidly rising number of customers of over 1.3 million active users. MTC also operates the only full service customer contact centre in Namibia dealing with service queries ranging from telephony, sms, fax, GPRS, data, voicemail and 3G/HSDPA. A staff of 367 persons serves a diverse market of both pre- and postpaid subscribers.
