13 December 2021- Windhoek- As of 9 December 2021, telco and leading ICT enabler MTC has launched an exciting festive season competition, the Mega Summer Spin & Win, which runs until 19 January 2021.

The campaign is open to Namibian citizens and or permanent residents who are either MTC Postpaid, including Corporate clients or Prepaid customers. Postpaid customers are limited Select, Duet, Mobiz Voice, MTC 1on1 and SmartShare Voice packages while all data packages are excluded from the campaign.

In brief, "Buy, spin and you could win your share of over 2 million dollars' worth of prizes. Stand a chance to win one of 6 brand new cars in our weekly draw with instant airtime prizes also up for grabs," said Melvin Angula, MTC Chief Commercial Officer.

To enter this campaign, eligible customers must, during the campaign period simply top-up with airtime or purchase selected data bundles to receive spins and access the Spin&Win application. This will enable customers to gain spins and or tokens.

Each spin will provide a customer only one spin and one entry into the monthly draw. This means the more a customer spins, the higher your chance to be randomly selected as one of the 5 finalists into the final draw.

Katangolo highlighted that customers can access the campaign through the MyMTC App or by dialing *111#. "Please ensure you have the latest updated MyMTC App installed. Access Spin&Win via the top right menu on the app. This means that as a condition to entry, the customer agrees to receive future correspondence from MTC from time-to-time," he said.

All Spin&Win customers will automatically be entered into the pool for a chance into the final draw. However, at the end of every week, 5 finalists will be randomly selected from the entire pool of eligible entries. The weekly draws will be run from each Wednesday to Tuesday and 5 finalists will be randomly selected every Thursday. The five (5) randomly selected customers will take part in a random key selection and key/car lock matching to determine the car winner, and this will be televised weekly.
